

PROPERTY BROTHERS

While filming Season 7 of **Property Brothers** in Calgary AB, we were pleased to have Rob Wilson of Wilson Homes on board as one of our Construction Leads.

Requiring a keen eye for detail and an ability to remain calm under pressure, it's a notoriously challenging position. But right from the start, we were impressed by everything Rob and his team at Wilson Homes brought to the table.

The final hours of a renovation project can make or break an episode of our show, and Rob and this team proved themselves to be goal-oriented team players who kept focused and composed until the big reveal.

We enjoyed working with Rob and wish him the best for the future.

Sincerely,

Jonathan Scott & Drew Scott
Property Brothers Team
